Lôn Lodges Farm Walk and Nature Trail

The Upland Hill Walk

A circular walk starting from the Lôn Lodges entrance. The walk will take you on a journey up through the hillside fields, eventually leading to the top of the Lôn Farm hill. The view from the top, of the magnificent Mid Wales landscape, stretches for miles from the Cambrian Mountains to the Brecon Beacons. The walk will then lead down the country lane to where the A44 turns off at the Chapel entrance. From here the lane will lead you back towards the Lôn Lodges.

The Lôn Farm has been farmed by the Pugh family for over 75 years. In recent years, brothers Robert and Stephen Pugh have worked and maintained the farm by using both modern and traditional methods and have a mixed farm of cattle and sheep.

The walks and trails will take you on a tour through the fields of a traditional Radnorshire farm and will explore the natural beauty of the landscape, wildlife, farm stock and heritage sites. The River Dulas flows through the land enriching the habitat of the area.

Access for Lôn Lodges Guests at any time during visit.
Access for Community Walking Groups by Prior Appointment.
