Lôn Lodges Farm Walk and Nature Trail

The Lowland River Meadow Walk

A circular walk with a choice of routes starting from the Lôn Lodges entrance. The walk will take you on a journey through meadow fields in the lowland part of the farm where the River Dulas quietly meanders from its nearby source.

The Lôn Farm has been farmed by the Pugh family for over 75 years. In recent years, brothers Robert and Stephen Pugh have worked and maintained the farm by using both modern and traditional methods and have a mixed farm of cattle and sheep.

The walks and trails will take you on a tour through the fields of a traditional Radnorshire farm and will explore the natural beauty of the landscape, wildlife, farm stock and heritage sites. The River Dulas flows through the land enriching the habitat of the area.
